HOP TO A NEW ADVENTURE

In Zootropolis, Judy Hopps fulfils her dream of becoming the first rabbit officer in Zootopia – which keeps her hopping fit as she fights crime around the city.

What adventures will you go on when you get older – and how will you stay active? Draw a picture in the space below.

Furry thought: You could sing and dance like Gazelle or strike a yoga pose like Nangi!

BONUS ACTIVITY:

Judy fuels her adventures with yummy carrots. What healthy snacks will you pack tomorrow to help you stay active all day?
